

**The “Get Acai Plus” Team**

**Proudly Presents...**

**The “3 Get 3” Duplication System**

**Create a \$125,000 per Year  
Residual Income in Only 6 Months!**

# Introduction

The “3 Get 3” Duplication System is not a get rich quick scheme. It is a plan based on successful network marketing practices by some of the top leaders in the industry. It will lay the foundation of a system you can work affordably to achieve lofty residual income goals with the TriUnity network marketing business.

Success in business is defined differently for every person, and each person approaches a business venture with different goals and milestones. However, regardless of what you are looking to achieve, the road to success is paved by taking action and creating duplication.

When most people enter a network marketing opportunity, they have no idea what to do! This plan shows you how to take action and do so affordably. It will provide effective options to move toward the goals you set for yourself, and create duplication to fully leverage the power of the TriUnity business.

Ultimately, your success in network marketing and in fact, any aspect of life will depend largely on your desire, positive “can do” mindset, and initiative. Some people look for ways to fail or reasons not to succeed, and failure will ultimately find them. It is with patience, persistence, and a plan that you will achieve great success. You will need to overcome failures. The only true way to fail is by quitting.

As in any business, the team (your business partners) will play a vital role in your success. Helping others succeed by providing them support is the secret to success. **This is where others fall apart in this industry, but you will strengthen and build!**

The tools, systems, support, and leadership provided by the “Get Acai Plus” team will be critical to achieving your goals, and more is continually being added for strengthening and building our team.

We have a phenomenal team with support web sites, co-ops, training, availability, free team marketing sites, and much more. You are strongly encouraged to leverage the resources available and ask questions. It will go a long way toward your success.

As a final note, you will need to treat this as a business and dedicate yourself to make this a success for yourself. It takes some commitment.

The TriUnity compensation plan is network marketing business that provides a powerful mechanism to bring product to people. Network marketing is a distribution / marketing system. It is not a game or a scheme, but a great marketing vehicle and legitimate business. As such, you should act professionally and with high integrity at all times.

When people join this company with you, they are joining your team within the TriUnity business and should be treated as a business partner with support and respect. It will be your responsibility to introduce them to the rest of the team and help them get started down a path that leads them to success.

In network marketing, you are in business for yourself, but not by yourself. You should look to build and foster relationships. Your success is primarily based on the success of others, and you will find the greatest personal success by helping others succeed and reach their goals.

## **\$125,000 in 6 Months**

Those numbers are intriguing to everyone, but I am sure people who have worked network marketing in prior companies and on other teams doubt this figure is achievable. It is this doubt that may be the greatest obstacle because the resources provided and advantages you have as part of the "Get Acai Plus" team is extraordinary and will make this lofty goal possible and achievable.

TriUnity has created a matrix plan that pays over 65% of commissionable volume. This is an extraordinary return by any standard. We will not go into compensation plan depth in this document, but will point out three major components of the pay plan that will be focused in this duplication system:

1. **The Fast Start Bonuses** – this bonus will pay out \$15 for all Silver (1 bottle) members you sign-up. The importance of this bonus is that it pays weekly and will effectively reimburse marketing expenses incurred throughout the month.
2. **The Matrix Commissions** – this is your monthly pay for your 3x4 matrix.

The 3x4 matrix consists of 4 levels with 3 people under each person:

- 3 people on the 1<sup>st</sup> level,
- 9 people on the 2<sup>nd</sup> level,
- 27 people on the 3<sup>rd</sup> level, and
- 81 people on the 4<sup>th</sup> level

That's a total of only **120 people**. The matrix pays 3% on the first 3 levels, but then 20% on the 4<sup>th</sup> level. This is significant because the **81 people on your 4<sup>th</sup> level make up more than half of your matrix** (in fact 67% of your matrix). This means your full matrix will pay you more than 20% on a majority of the people on your team.

A full matrix will pay from \$434 minimum (all 1 bottle reps) to over \$1700 with many 4 bottle Platinum reps. The average percentage payout per bottle in the matrix works out to be 14.475% of the \$25 commissions paid for each bottle, or approximately:

**\$3.62 per bottle on average**

3. **Matching Bonuses** – This is where the compensation plan pays the very big money. With up to 81 people on your 4<sup>th</sup> level, you will receive matching bonuses on each and every one of their matrices, and you receive this regardless of who sponsors them. This means you are eligible for 81 matrix commissions in addition to your own!

To demonstrate the power of this matching bonus, here's some quick math: With a full matrix, if each of your 81 4<sup>th</sup> level members have an average of 50 bottles sold in each matrix...

81 Matching Bonuses x 50 x \$3.62 = **\$14,661 PER MONTH**

## The Plan

**Bring in 3 people in 30 days, tap them into our system and provide support, and then do the same for the next six months.**

Sound difficult? It's really not. Many people bring 3 people in their first day, and leaders recruit 2-3 per day. It is achievable, but will take some sacrifice and commitment. You will need patience and determination. But, if you have the desire, the "Get Acai Plus" team will lead you and show you

how you can make this happen. Set aside your doubts because you are on the right team with the right product and company to reach your goals.

You may think you need to spend a fortune to build a six-figure income in 6 months, but you do not! If you have desire, persistence, and patience, the only thing you will need to do is take action and create duplication.

The "Get Acai Plus" team is positioned to help you get past any other obstacles and reach these goals effectively without having to spend thousands on advertising! The reason you CAN do it here is because you have the resources and leadership to assist you. With our team, you can offer someone the greatest opportunity for success in TriUnity. No team compares to what we provide.

## Working the Plan

Your ability to make this work and obtain three people per month and tapping them into the team resides in your own desire and abilities combined with the three vital components of building a business in network marketing:

1. **Prospecting** – You have several ways to obtain prospects without having to go to your warm market of friends and family. Here are a few of the most highly recommended methods for effective prospecting:
  - **Google Lead Program – Offered by TriUnity**, this lead program is not purchase of bulk leads! These leads are not resold. They are exclusive to TriUnity and generated from a highly respected and dependable source. You purchase the contact information of people who have requested information through a major search engine and completed an interview form. They want to hear from you and conversion rates are expected to be between 20%-50%. The price for the leads will be \$5 each, so purchase and contact 10 and you will be right about where you need to be for your monthly goal.
  - **Pay Per Click and Direct Mail Co-ops – These professionally run high-end marketing programs are available to you only as a member of our "Get Acai Plus" team.** They will provide a way for you to obtain high quality leads specific to the business and often ready to go. Quality and conversion rates of these leads

will be extremely strong. Upline leaders have built massive teams with these marketing methods and you can take part with our team. You may receive some great quality leads with this program.

PayPerClick campaigns on Google, Yahoo, and other major search engines are often expensive to run and manage. However, you are able to get involved "at cost" with this highly effective means of prospecting by purchasing shares of the campaign. This is a tremendous benefit and great option for your consideration. See team site for details.

- **Offline Marketing** – Our team also caters to those wanting to inexpensively distribute flyers, post cards (highly recommended), brochures, or business cards. This is a low cost method to get the word out about the Acai Plus product and TriUnity business opportunity. **The "Get Acai Plus" team has created several custom marketing materials that can be copied and distributed with great results.**

### **Recoup your expenses with fast start bonuses!**

All of the methods above are affordable and you can participate at any level you desire, but they may be even more affordable than you think. **This is where the Fast Start Bonuses come into play!**

### **Use Weekly Fast Start Bonuses to Offset your Marketing Costs!**

For example, suppose you purchase 10 Google Leads for \$50 and sign-up 3 Silver members. Your net cost will be ONLY \$5 (\$50 minus the \$45 you will get back in bonuses the following week for 3 Silver member sign-ups). It is even quite possible that you will earn money on fast starts, i.e. make more money than it cost to purchase the leads. If you enroll just one Platinum rep, you will be paid a \$60 fast start bonus! Regardless, taking action and leveraging one or more of these great systems available to you is a worthy investment in your business.

2. **Recruiting** – The act of answering questions and informing prospects. You do not need to be a great salesperson. You need to build relationships and seek to help your prospects understand the value of the Acai Product, TriUnity business, and the many benefits of

our team.

Recruiting onto our team is as easy as it can get. We have much to offer “above and beyond” the company offerings. To list a few major benefits of our team (excellent selling point for prospects):

- Free “Get Acai Plus” team marketing web site with autoresponder
- Team Communication Newsletter
- Two Support Web Sites
- Availability of High-End Prospecting Systems (PayPerClick and Direct Mail)
- “3 Get 3” Duplication System
- Tremendous upline support and training – we will even get on the phone with you and assist with recruiting (called 3-ways!) at your request.

3. **Supporting – The most important part of network marketing** and the least practiced in the industry. It is widely ignored by nearly every company and every team, but leaders know this is what makes the real difference and we have that leadership here!

Supporting a downline is vital to your success. It is a huge differentiator for our team and you will find this is the single reason why you are able to succeed here, even if you failed everywhere else.

The “Get Acai Plus” team makes this easy too because we enable you to plug new members right into our great team. Send a welcome letter (we even provide a template) and have your new member fill out a form for a free web site and newsletter subscription. They will also have access to our support web site and other tools and training to grow quickly and duplicate your efforts.

You will still need to be the front line of support, but you will have everything you need to get answers quickly and **get your new members off to a fast start!** This is perhaps the most important part of the plan because this is where you will experience the power of duplication!

## The Numbers

At this point, you should be feeling comfortable that you can bring in at least three people per month and plug them into our team to do the same. Now, let's look at what happens when you **put this plan into action!**

Month	Action	Total
0	You take some time to train yourself, then sponsor 3 people and start the "3 Get 3" System	3
1	You sponsor 3, and your 3 sponsor 3 ("3 Get 3")	15
2	You sponsor 3, and each sponsor 3 more!	48
3	You sponsor 3, and each sponsor 3 more!	147
<b>This Is When the Power of Duplication Explodes Your Team</b>		
4	You sponsor 3, and each sponsor 3 more!	444
5	You sponsor 3, and each sponsor 3 more!	1335
6	You sponsor 3, and each sponsor 3 more!	4008

Even if each 4005 on your team is only a one-bottle Silver member,  
Your Income will be approximately: \$3.62 per bottle \* 4008

**\$14,509 per month - or - \$174,108 per year**

And there is plenty more growth and income available to you in this powerful TriUnity plan. But, before continuing, let's figure for some dropouts (approximately 25% off the final tally seems reasonable), that brings us to 3000 bottles sold on your team and...

**\$125,000.00 per Year**

**Important:** In the above example, we assumed ZERO Spillover (people falling into your matrix from above, since it is a forced matrix) for 3 reasons:

1. You should NEVER expect spillover, even though it can happen. You have no control over the matrix above you or the activity of those members. Also, the matrix grows wide, so people several levels up are highly unlikely to land people on your team. Doing nothing and waiting for spillover is a recipe for failure.
2. You should NEVER count on spillover to build your business. Focus your business on things you can control like your actions! If you get some additional people on your team from your upline, it's a bonus and you should be surprised. It is an indication that your upline is building much faster than you.
3. Leaders and people who earn the big money in network marketing rarely receive spillover from their sponsor or other upline members. Instead, they receive it from within their own matrix they are building. They take action and make it happen!

Upline spillover is rare for the most successful people in network marketing because the matrix grows wide! People who are active will be most successful and they tend to out pace the rest of the matrix. To reach your goals, you also need to be active and build from within your own matrix. Duplication happens from within your own team, but you need to set those wheels in motion. Waiting for others to do it is a mistake.

## What about Drop-Outs?

For a variety of reasons, retention will not be 100%. This is why we threw in the 25% reduction at the end of the "Numbers" section for our "3 Get 3" plan above. It is a fact that no matter what the offer, some people will elect to drop out and become inactive. Incidentally, quitting will always lead to failure, but some do not know another way.

### **Should this be a concern?**

Obviously, you do not want to lose members and you want to keep the momentum of your team moving forward. You need to overcome

these small obstacles and move on. Replace dropouts with active reps!

But this is really NOT a concern for two great reasons. First, many people will sponsor far more than three per month and this will more than offset the number of dropouts. Several people sponsor 10-20 reps per month and leaders tend to bring in 10 or more per week.

Secondly, retention will be high for several reasons: the great tasting and nutritious product, the low cost of participation, and the strong team we have! Being part of a team and working together is what will make you a success in this business, and we have a lot to offer.

Our "Get Acai Plus" team has a focus on support and action, and we provide many ways for people to achieve three or more per month affordably and on a part-time schedule. Our team makes the difference! As one testimonial put it:

**"Finally, Network Marketing done RIGHT!"**

## **WOW! That's too fast!**

Okay, so you do not want to set such lofty goals and get disappointed. Perhaps you have been in other network marketing companies where people struggle to get three. Lets then lower our target to just ONE per month, and we will apply this for a period of one year.

What you will see is that **the importance to your success is taking action**. Whether you are a little behind or ahead of the goals you set is not as important as being patient, persistent, and consistent. Do not give up and you will be able to reach your target.

Once you reach 2, 3, 4, levels deep and have others duplicating what you are doing, your organization will gain great momentum and experience massive and accelerated growth. You are provided with an amazing product to market, powerful compensation plan, and great leadership / team support. Now it is up to you to set those wheels in motion and begin building momentum for your team!

## Inside the Numbers: The Power of ONE!

If THREE is achievable, ONE is a breeze! Let's now take a look at how you can create a six figure income recruiting one person per month for a year in our team's powerful duplication system.

Month	Action	Total
0	You take some time to train yourself, and then sponsor your 1 <sup>st</sup> person!	1
1	You and the person you sponsored each sponsor ONE	3
2	You and your 3 person team each sponsor ONE	7
3	You and your 7 person team each sponsor ONE	15
<b>It is feeling slow, but do not get discouraged... it's working!            You are on pace for a six figure income!</b>		
4	You and your 15 person team each sponsor ONE	31
5	You and your 31 person team each sponsor ONE	63
6	You and your 63 person team each sponsor ONE	127
7	You and your 127 person team each sponsor ONE	255
8	You and your 255 person team each sponsor ONE	511
9	You and your 511 person team each sponsor ONE	1023
10	You and your 1023 person team each sponsor ONE	2047
11	You and your 2047 person team each sponsor ONE	<b>4095</b>
12	<b>Congratulations! YOU DID IT!</b> You have <u>surpassed</u> the "3 Get 3" system in approximately one year by sponsoring Just ONE Person per Month!	Woo-Hoo!

**Important:** The “Power of ONE” is slower, but also quite effective and efficient. It shows that you can succeed as long as you take action. You need to set your own goals and stick with it. Make that commitment!

There were no tricks here and you can accelerate your growth by simply sponsoring more, as that will increase the momentum on your team more quickly.

These number examples are not intended to provide hype. It is called geometric progression and this is how duplication works in network marketing when you do it RIGHT and have the company and team behind you to make it a reality... and you do!

## **Can I really do this? Some final comments...**

Many people will have doubts, but **yes, you really can!** Anyone can do this business with the support of the “Get Acai Plus” team and TriUnity company resources and compensation plan. You simply need to set your goals and have the desire and commitment to follow the steps above for prospecting, recruiting, and supporting!

Remember, to succeed, you need to set goals and take action! Do not wait for others to build for you. Then, create the duplication necessary for you to build momentum by leveraging the tools and resources available from our team.

**Do not forget that your “Get Acai Plus” upline is here to support you!**

Good luck with your business and have confidence that if you work toward achieving your goals, that this system will work for you!
