

Based on the number of Programs that we have seen, studied, and participated in, and based on the amount of incredible success we have both had with every program we have touched...

**AND** the members we have brought into those programs also having had success...

**AND** that we have not launched program after program only to leave them and hype the next one, making money time after time from the people we get involved....

## We have developed a **Powerhouse** in the Industry: *Global Abundance Program* **(G.A.P.)!**

The Global Abundance Program is the **Total Combined Sum** of all the elements we have seen, experienced, and proven to be **ESSENTIAL** for making a Program **WORK Effectively** (as well as avoiding or eliminating all of the Limitations and Weaknesses that make a Program fail).

This Program features several **TOTALLY UNIQUE QUALITIES** and some very **SPECIFIC CHARACTERISTICS** that set this program apart from ANY OTHER Program on the web.

The Precise Combination of these Qualities and Characteristics has **NEVER Been Applied Until Now.**

**PRINT THIS EMAIL SO YOU CAN READ AND RE-READ IT FOR FULL UNDERSTANDING.**

# 1. The Marketing System and the Products

## Wealth Training and Specific Tools to Implement Everything You Learn and Successfully Start Your Own Business!

Robert Kiyosaki, in his classic 'Rich Dad, Poor Dad' book series, mentions over and over again that one of the essentials for getting out of the rat race of working to pay bills and barely making it is to start your own business.

### The Global Abundance Program IS that business for you!

---

**G.A.P.** is one of the simplest and most profitable online marketing systems in the world. You earn **\$1,000, \$1,700 or \$3,400** every time someone purchases this system from you. **AND** the system includes, for every member, thousands of leads who are sent **PRE-WRITTEN** email advertisements inviting these interested prospects to **YOUR** marketing site; **even while you sleep** the email systems are working for you!

**G.A.P.** will be one of the **Most Powerful** Online Training Systems and Wealth Creation Offerings in the World. We have **Exclusive** educational materials on a wide-range of subjects including marketing, investing, success mindset training, etc.

**G.A.P.** is **Video Trainings, LIVE Workshops** and **Investment Tools** all rolled into one complete business!

**G.A.P.** has a vacation package selection for each level, including Bahamas cruise-and-stays, Hawaii, 3-day retreats, etc. that you will be able to select when you join.

We have **EXCLUSIVE VIDEOS** we have developed that teach you the tools of the internet marketing trade.

We have exclusive access to a transformational **MORTGAGE PROGRAM** that will blow away your largest debt in life...the mortgage on your house! And **YOU** will generate an extra stream of cash-flow when someone purchases this mortgage reduction plan through your **G.A.P.** marketing system.

We have a **CREDIT REPAIR PROGRAM** that can completely transform your entire credit score and investing power as you move forward in generating life-changing wealth.

We have a library of material that gives you a **UNIVERSITY LEVEL** education on mastering the essentials of the web.

This document is the sole property of the Global Abundance Program. Any reproduction, re-transmission either in whole or in part is strictly prohibited without the prior written consent of Global Abundance

We have an exclusive **FOREX TRADING PROGRAM** that takes all the guesswork out of actual trading in the most profitable investment tool of the century, the Foreign Exchange market. **NO OTHER** business has this program and it is available to Platinum members of **G.A.P.!**

You will bring into your life something you may not know how to manifest yet:

## **ABUNDANCE!**

Finally, if you implement the tools available, you will not only have more than enough for yourself and your family, but also more than enough to share with others. Not just *surviving*, but *thriving!*

**But that is just the beginning!**

---

## **2. The Price**

**How much are you willing to pay into your own success?**

The materials, systems and mentoring provided in this business are priceless in actual dollar value. These tools are being used by ultra-wealthy individuals worldwide to build global financial empires.

The system being created for you is designed to **REMOVE** the roadblocks to your success and **RETOOL** your life for a bright financial future.

We realize, however, that each person approaching the **Global Abundance Program** is coming from their own unique position of current financial ability.

For that reason, we have created four **Entry Levels** to make G.A.P. available to virtually everyone.

The four Entry Levels include:

<b>Bronze -</b>	<b>\$129.</b> (No commissions and marketing sites only)
<b>Silver -</b>	<b>\$1,995.</b>
<b>Gold -</b>	<b>\$2,995.</b>
<b>Platinum -</b>	<b>\$4,995.</b>

Every level includes built-in tools... all specifically designed to help you develop your ability to build your own business, grow your own skills and increase your own capacity to grow wealth.

# EVERY Level is a GOOD Level.

And **EVERY LEVEL** permits you to have **Full Access** to the Support and Learning Resources that will open the door to Tremendous Earning Potential.

**Every Level** has a graduated scale of access to the tools of investing, making things available to you **OUTWARDLY** as you grow **INWARDLY** in your capacity to implement these tools.

Many people have lost money in internet business and internet investment tools. Most of the time it is because they were not prepared to use the tools wisely when made available.

Our goal is to have tools available for each person when they are ready and have grown in their wisdom to be able to use them.

**Now, pay attention to this commission plan...**

---

## 3. The Commission Plan

Grounded in both **Abundance** and **Generosity**

Most people lack wealth... not because they don't make enough, but because they don't give enough. The order of things is not "Receive and you shall give." It is "Give and you shall receive."

The G.A.P. commission plan has built-in generosity where the new member **makes commissions from the very first sale!** This happens because the new member's sponsor **GIVES** a full 50% of their commission **BACK** to the new member, not once, but twice!

**Quick Explanation:** Let's say you are a new member and you entered at the \$1,995 Silver Level. You had sent \$1995 to your sponsor who in turn sent the \$995 G.A.P. wholesale payment to the corporate office so the commission that went to your sponsor was \$1,000.

Then, through your and our combined advertising efforts you bring in Bob as your first member and Bob enters at the \$4,995 level. Bob will also send his full Platinum Membership payment to your sponsor, who will send the **G.A.P.** Wholesale payment for the Platinum level of \$1595 to **G.A.P.**

**Now here is the cool part:** In a traditional 1-Up program, your sponsor would keep 100% (\$3,400) of that first sale. But in our **Modified 1-Up**, your sponsor

This document is the sole property of the Global Abundance Program. Any reproduction, re-transmission either in whole or in part is strictly prohibited without the prior written consent of Global Abundance

will **SEND YOU** a *full 50%* of the commission that you are entitled to based on your start-up level. In our example above, you would receive \$500 for your first sale.

**This process allows you to MAKE MONEY starting with your very FIRST SALE!**

Once you have become qualified by making two sales, you will NEVER again give up any of the commissions from your personally sponsored members, NEVER.

---

NOW, get ready for the REAL DIFFERENCE between G.A.P. and other Programs: *Generosity!*

#### **4. The G.A.P. Team Fee is divided into 4 parts.**

**Part 1** - 10% placed in **G.A.P. Fund** to be sent to organizations worldwide that serve the needy.

**Part 2** - \$200, \$300 or \$400 paid to the **G.A.P. Adviser** who closes the sale for you.

**Part 3** - Product Costs associated with each level.

**Part 4** - 1, 2, or 3 months of pre-written auto-responder messages sent to thousands of leads for a length of time determined by your entry level.

We probably all know that one of the biggest mistakes in a Home Business is that most people 'DRAIN OUT' their cash on expensive advertising before they are making profit. **G.A.P.** eliminates that from happening by our **lead generation** and by the **Modified 1-Up Commission Plan**.

Giving and gaining wisdom are built into the G.A.P. business model, plus, while we are providing top-quality leads for you, you have access to marketing and advertising training so you can learn to grow your own business!

**Are you starting to see the Picture?**

---

Another Difference between G.A.P. and other Online Programs....

## 5. Lead generation and pre-written Advertising

Each New Membership has its own Built-In Advertising to Boost the Growth of Your Business

» When you join, you will be entered into an Automatic Auto-responder that will begin to send proven PRE-WRITTEN email messages to 100,000 leads per month, directing the interested prospects to visit **YOUR G.A.P.** Marketing System!

**SILVER LEVEL MEMBERS** will have one-month of this service.

**GOLD LEVEL MEMBERS** will have two months of this service

**PLATINUM LEVEL MEMBERS** will have three months of this service.

## It really is a Very Simple Principle:

The Quicker a Member makes Net Profit through the commissions earned from their first sale, and knowing that they will be receiving leads and pre-written advertising...

- » The More a Member will **be excited**
- » The Quicker a Member will **refer others**
- » The **Easier** it becomes to bring in New People

The Reality is Simple...

**THE BETTER YOUR OWN MEMBERS ARE DOING...** the easier it becomes to Sponsor New People. Testimonials don't lie!

## We all know...

most people **WILL NOT Quit a Program if they actually make Money.**

Amazing... those Simple Things in Life, eh?

Now, there are several other Advantages that will make you want to get involved with this program....because it will create a complete PARADIGM SHIFT in the Home Based Industry.

## 6. The G.A.P. Marketing System

The success of G.A.P. depends on several factors, including:

**Happy members**

**Great tools and Products**

**Solving built-in problems associated with home businesses.**

**Duplication**

**I. We believe happy members are a result of the value exceeding the costs.**

The products and training now available, as well as those that will be added over time, will make G.A.P. the envy of the internet. We are not including 'fluff' programs or freely available materials to validate our business. These products and materials are EXCLUSIVE for G.A.P. members ONLY!

We have developed a truly **proprietary product line and powerful marketing system** available no where else - one that will generate multiple streams of income in addition to what you earn by adding new members to your **G.A.P.** business.

**II. The tools we have developed are second to none!! They include:**

- A full suite of marketing tools, including a website with live chat, a virtual host, a flash movie, back office to track your visitors and opt-ins, genealogy, marketing Auto-responder and email system, and much more.
- A toll-free number with a 'sizzle-call' message.
- **G.A.P. Advisers** who follow up with YOUR prospects.

These elements combine to form an unbeatable combination for growing your business.

**III. The problems we have seen in our previous experiences with home businesses are being solved in the business model for G.A.P.**

- No 'phantom leaders.' We are here, reachable and available.
- No 'feeding frenzy' with successful marketers eating up all the prospects by offering special deals. This will not be tolerated. We want every member to market as successfully as possible while maintaining the integrity of the pricing structure built into the program.
- Every claim of income stated in advertising must be verifiable by the member making that claim.
- No monthly charges.
- There will be no useless advertising co-ops or monthly charges that do not generate real prospects with real interest.

This document is the sole property of the Global Abundance Program. Any reproduction, re-transmission either in whole or in part is strictly prohibited without the prior written consent of Global Abundance

#### IV. The system is easy, clear and able to be duplicated!

This is about providing a Program that is **ALL ABOUT THE SUCCESS of its Members**. That is the **ONLY True Value to Stand On**.

### **NOW FOR THE RE-CAP!**

**This Program includes:**

--**POWERHOUSE Marketing System!** With **HUGE** commissions being generated every time someone joins **G.A.P.** through **YOUR** marketing site.

--**POWERHOUSE Products!** High Demand Products and Training that are all about Empowering Yourself, including multiple income streams.

-- **A POWERHOUSE Business with 4 Level Pricing!**

A structure that allows you to invest in your own success by learning to build your own business and generate a serious income.

-- **A POWERHOUSE Commission Plan!**

Automatically makes this Program an Industry Leader. **A Modified 1-Up**, (this will definitely become the Talk of the Industry - and the Media!!). **The new member gets to KEEP half the commission of their first 2 Sales - so they get to generate cash from the start**. The Rest Automatically follows.

**And best of all...**

...You will KNOW that the most powerful force in the Universe is being released throughout this business, the force of **ABUNDANCE and GENEROSITY**. We are out to cancel the mindset that leads to poverty, and by establishing the Principle of Giving within G.A.P., we will take a big step toward doing that.

So, when you have all these elements together, you KNOW that **you've got a WINNER**, right out of the box.

**SO.....WHAT DO YOU DO NOW?**

- Select the **G.A.P.** Level you want to enter.
- Make arrangements with your sponsor for payment.
- Get in position to prosper with **G.A.P.**
- Start marketing with the tools you receive.
- Educate yourself for financial transformation.

Right now, we want to make sure that you are **at the front of the wave** - and perhaps for a few of your friends and associates.
